

HEAVEN'S REALM - ANGELIC LAYERS AROUND GOD'S THRONE

Canopy for the presence of God - Cloud of God

Layer 1. CHAYOTH - HA-QADESH or HOLY LIVING CREATURES - Chief: METATRON

They carry the throne around. They look like fiery wheels. Metatron is the keeper of time and seasons. He lives in the golden mountain in Eden, but he's also around the throne keeping everything in the season. He's also the keeper of all the keys related to how access into the different realms of Heaven, and he makes them in the mountain of gold.

Layer 2. OFANIM or WHEELS - Wheels within wheels - chief: RATZIEL

They are the super conductor of the power of God, they create the energy for the throne of God to move around the galaxies. They carry the throne but they also have to be the power of God. They are seven wheels locked into one another and constantly spinning itself around, and this movement makes the sound of thunder that is around the throne of God.

Layer 3. ER'ELIM or MIGHTY ONES - Chief: TZAPHKIEL

They sit over the territories of Heaven, they are Sons of God come to a place of maturity that God made in the first creation, that have now become Mighty Ones and have been given territorial government. They rule outside of the capsule of the canopy of time and galaxies in the realm of eternity.

Layer 4. CHASHMALIM or BRILLIANT ONES/Shiny Ones - chief: TZADKIEL

They carry the blazing image of the Father, and they open a door for the Father to manifest Himself on the earth.

Layer 5. SERAPHIM - Fiery Ones - Chief: GABRIEL

Fiery dragons that sit at the entry point of the gates where the four winds of Heaven blow into that arena, where the wind of God keeps these creatures alive. They look like fiery serpents. They are the sentinels that watch over the gates of God. The bible says that we are gates, so we have seraphim watching over us.

Layer 6. MALACHIM or KINGS - chief: URIEL

They look like kings and rulers. They rule until the sons of God come to their place of rulership. They are the sentinels and gate keepers who watch over the mountains of God. They hold the book and the record, and they take their place and rule as kings until the sons of God are able to take their place. They rule over principalities.

Layer 7. ELOHIM - Chief: HANIEL

They look like lions and they are the manifestation of the voice of God. They are a cross between the spirit of might and a lion. They come to the earth as watchers. They watch over the word that they are, because their name is Elohim: the word of God spoken to see His works. They come and they manifest on the voice of God, when He speaks He creates these angelic creatures. Although they are the word, they become a living thing, and until that living thing has manifested on the earth they cannot return. They are all over the earth, they sit on the top (third) layer of the atmosphere, the same place where principalities sit. They control and should be the ones that release the glory and the manifestation of God through the Everlasting Doors.

Government around the Courts of God

The Mountain of God, the bible says is the house of God, and everything that pertains to the government of the realm of heaven is operated out of the Mountain of God. The Mountain of God is the place where all the judicial systems of Heaven operates out of. Everything that happens around the throne is then fallen through with all the chancellors of God inside the Mountain of God.

Layer 8. B'NAI-ELOHIM - Sons of God - chief: MICHAEL

They're 25 foot high and were created to have a dominion and a place of rulership. These are the ones called watchers in the book of Enoch, that fell on the earth. The 200 watchers that came down to Earth and put up their first estate, they had the highest form of rulership. That's were the giants came from. Giants rule the top of the mountains, and the one that went after the giants was Caleb and David. They found keys to destroy their power and yokes. They are similar to us but they're not carrying our fallen nature inside of them. They were created out of a different realm than what our body bears, but our spirit man comes from the same realm they were created out. So we are living beings the same way they are, that's why we are called Sons of God also, because we can take the same place in the realm of the government of God if we do the things written in Zec 3. When we are in the spirit we are bigger than them.

Layer 9. CHERUBIM - Chief: RAPHAEL

They have faces of lion, eagle, ox and man. They carry the symbol of the nature of the desire of God's expression. Wherever we find cherubim around is because they answer the call of God's desire. They have the mandate to answer the call of God and they reflect His image. Their eyes are all the time on the image of God.

Layer 10. ISHIM - Manlike Beings - chief: SANDLEPHON

They are the messengers of the judicial system of Heaven. They carry the judgments, and they're the ones that carry the scrolls of God. When the court sessions are in process, they are the ones that deliver the scrolls from the realm of the kingdom, they bring their testimonies into that realm, and they operate very much around the court of God. They look like men, even if are different to us. They are chancellors that move in the mountain of God. A chancellor is someone who serves the throne and the desires of the King. Before you can go to the court of heaven you got to be trained by the chancellors. They are the embodiment of the Spirit of Wisdom and they know everything about God.
