Our scrolls contains all our provisions for our destinies!

Our hearts must be properly aligned with our scrolls!

2nd we will align our scrolls

We ask forgiveness for all the additions and addendums that we have added to our scrolls through our wrong doing and misalignment.

Please forgive me for all the issues in my heart!

Heavenly Father would you take out, burn, dissolve and destroy every addendum, every deposition, every curse, every spell, every incantation, every idol word that has caused me and my bloodline to alter our scroll.

Upon my scroll in this day, would YOU remove every violation, instance and trespass that I did not agree with.

Would YOU now take it out of the equation, out of my destiny and out of my future!!

I ask now Holy Spirit would YOU please place in me the proper alignment of what I agreed to and what I came in agreement with before time began unto the present time to this day, hour, minute and second.

I am now in the proper time, sequence of events, day, hour, minute and second of my scroll!!

The same time I came into agreement with when I read it in heaven.

May it be so NOW!!

Lord Jesus would YOU make the adjustments now to align my scroll with YOUR blood!!

Thank YOU Father!!

Thank YOU Lord

Father I now open up my scroll.

I did not agree with this sickness, disease, infirmity, poverty, lack, fear, stress, anxiety , worry, abuse, offense, doubt, unbelief and all other ungodly things.

Would YOU now take these out.

Would YOU now smash, dissolve and destroy it now from my scroll and from my destiny in Jesus Name!!
